Michael Dolphin - Ventura Workforce Services Division, of State of California's Employment Development Dept.

Way in back center, red head scarf, see JJ with media cameras

Robert Sainz, Assistant General Manager - Economic & Workforce Development Department, City of Los Angeles

During his time with the City of Los Angeles, Robert Sainz has been instrumental in reinventing the Workforce Development System, establishing the FamilySource System, and founding the L.A. Youth Opportunity Movement. Through his work, he manages over \$100 million in public agency grant funds. More importantly, he has impacted the lives of thousands of young people and adults, creating opportunities for them to return to school, enter employment, and start careers.

JJ Documenting
